If you are the importer of record, payment to the broker will not relieve you of liability for Customs charges (duties, taxes, or other debts owed Customs) in the event the charges are not paid by the broker.

Therefore, if you pay by check, Customs charges may be paid with a separate check payable to the "U.S. Customs Service" which shall be delivered to Customs by the broker, but this payment must be made immediately upon receipt of entry since it must be surrendered to U.S. Customs before 10 days of importation.
